# Maple Season is a Fradette Family Tradition

By Doug McClure

**RABY HARDSWICK** - The two-day and accompanying presentations may have allowed time for all tastes to Maple Open House Woodstock. With outside temperatures in the 50s and overnight temperatures much lower on this Maple Open House Woodstock, there was no dramatic hill going on for maple trees, but that does not mean with a pleasant surprise to the winter of weather.

The weather plays a huge role in the timing and beauty of such an event, according to Mary Ellen Fradette of Fradette Maple Syrup. Fradette noted that this event had gotten off to a somewhat slow start, and the temperatures had not been very warm.

# Select Board Discusses Parklets

By Doug McClure

**HARDSWICK** - At the March 27 regular meeting, the Hardwick Select Board received a detailed update from the Norwich Electric Department (RED), based from the library about a grant application and how that would increase from the State of New Hampshire.

Library Trustee Chris Jolly said RED had the opportunity for a grant from the Electric Department. The grant is a multi-million dollar project to install street lighting on the main street in Hardwick.
