Village of the Dammed II: HED Responds

By Doug McChes

HARDWICK'S response to the Granite May II article in which a resident of Greenboro expressed concern over Lake Champlain's levels and quality, CAPSAC's Lewis and Clark (LSC) General Manager Mike Belliveau said HED's response based on requests from the Office of Environmental and Conservation (OEC), not at HED's request.

"Whatever the DEC requires, we will do it," Belliveau said. "We are not in a position to be less than forthcoming, and recognize that we are not the only one who has high water levels in the area."

"Although I find the concern very valid, I do not believe that we are in a position to be less than forthcoming, and recognize that we are not the only one who has high water levels in the area."

Craftsbury ATV Ordinance Opens Roads in July

By James Phelan Cook

CRAFTSBURY'S select board voted unanimously last week to adopt a temporary ordinance regulating all-terrain vehicles (ATVs) on public roads. The ordinance becomes effective 30 days after its adoption. May 12, 2010, unless the select board takes other action.

The proposed ordinance was discussed in a meeting held on May 11 in the select board room. The ordinance was discussed in a meeting held on May 11 in the select board room. The ordinance was discussed in a meeting held on May 11 in the select board room.
