OSBORNVILLE — Shortly past 2:30 p.m. on June 15, a half-dozen Lakeview Union students gathered in front of the school building to voice their concerns about global warming. The students, who were dressed in green and yellow, held signs that said "Save the planet" and "Global Warming." They were joined by several other students who had also signed the Call Right Now petition.

For them, just paying by service to a high-grade science to correct errors. They also have been supportive of this activity at any time. The entire area was the subject of a letter from the school board. The letter had been given some background, based on research in other countries related to global warming.

## Welch Speaks at Marshfield Ceremony

by Michael Heston

MARSHFIELD — The newly renovated Marshfield High School has been open for about a year, but it needs an official ceremony to mark the occasion. On Friday, June 11, U.S. Sen. Patrick Welch, D-Vt., spoke at the ceremony. Welch spoke about the importance of education and the role of the school in the community. He also spoke about the challenges of global warming and the need for action.

Welch spoke at the ceremony in front of the new school building. He was joined by several other officials and community members. The ceremony was held in front of the new school building.
